

1. TRI-CITIES REGIONAL AIRPORT TO WISE, VIRGINIA

Exit the airport following signs to I-81. Turn South on Interstate 81 and then take the second Kingsport (TN) exit on 181 north. 181 N becomes US 23 N. Stay on US 23 N all the way to Norton, VA., a distance of about 50 miles. After passing Norton exits remain on US 23 N and travel approximately 3 miles to the Town of Wise exit. This will be a right turn at the second traffic signal. You will see a McDonald's on the right and a Wendy's on the left.

After turning right onto Business 23 N continue 1.2 miles into the town of Wise. Continue on this road until you intersect Main Street at a "T" intersection. Turn right on Main Street. After traveling less than a half mile, Main Street becomes Park Ave in a 90-degree curve to the left. Park Ave. then becomes Hurricane Road after passing through the next traffic signal (continue straight through this intersection of Darden Drive and Park Ave). You will see a serpentine red brick fence on your left after traveling a few hundred yards. Near the end of the red brick fence, you will see the School Board Office (it is the last building behind the fence and has a Wise County Public Schools sign on the lawn). Turn left and then turn into the School Board Office parking lot on the left.
